FOR THE WOMAN WHO THINKS AND FEELS.

Some women complain that they periodically suffer from dull see heavy inclings, or dizziness in the head, nervousness, pain and bearing-down feelings which should not occur to the normal healthy woman. But most every woman is subject to these pains at some time in her life, due to abnormal conditions in life, such as corsets, over-taxed strength, bad air, poor or improper food, wet feet, sluggish liver, etc. A regulator and female tonic made from native medicinal roots with pure glycerin, and without the use of alcohol, called

I buy the 'Favorite Prescription' and 'Golden Medical Discovery' and take them together. I never was disappointed in your remedies and take pleasure in recommending them to any suffering lady. I am now almost fifty years old; at forty-five I took your medicines, both kinds, and I passed that period very easily and left me fat and healthy. I feel like a young girl. "If any lady cares to write me, I will gladly tell her more about the good work of your medicines."

Couldn't Walk!

"I used to be troubled with a weakness peculiar to women," writes Mrs. Anna Jones, of Kenny, Ill. "For nearly a year, I could not walk, without holding my sides. I tried several different doctors, but I grew worse. Finally, our druggist advised Cardui for my complaint. I was so thin, my weight was 115. Now, I weigh 153, and I am never sick. I ride horseback as good as ever. I am in fine health at 52 years."
